What it includes:

- **Domain, Hosting, & Email**

For clients who select either the professional or business premium package, TMD Creative will provide basic website hosting services that feature 1 unique domain name, 1 hosting package with 5 GB of storage and email. We will manage all of the above features for you and add new email addresses as needed by the client. Never worry about renewing your domain or hosting plans, or stress over setting up new email accounts or forwarding, we take care of all of it for you! We host your site on a secure server, with 99.9% uptime, so you never have to worry about your site being down.

For clients who select the basic package, TMD Creative will assist you in setting up your own domain, hosting, and email service and will provide management of that service.

- **Website Design & Maintenance**

TMD Creative will provide basic design and maintenance to your custom website. This includes changing & adding text to current pages, changing and adding client supplied images and media (audio, video, pdf's, etc), adding new pages using the same site design, taking off pages, etc. We become your company's web manager for a fraction of the cost of hiring your own.

What it does not include:

Custom design services i.e. logos, custom graphics, custom video services, changes to website template, new website templates, etc. We would be happy to provide these services to you in separate agreements.

Contract:

You are under no long-term commitments with this agreement. Payment will be automatically deducted from your credit card or bank account via Paypal. This service may be modified or canceled at any time by the agreement of both TMD Creative and the client.
